

Experience a spectacular underwater adventure when you go for a dive at Lake Phoenix Scuba Park & Family Campground in Rawlings, VA with Lynnhaven Dive Center!

.....

The quarry is well known for having the clearest water in the mid-Atlantic region, making it a perfect home for bluegill, bass, turtles, and crawfish. With many things to find from schoolbuses to helicopters, to planes... you get to explore all the sunken treasures while you perfect your scuba/freediving/snorkeling skills.

.....

Lake Phoenix is a fresh water quarry and is a SCUBA park as well as a campground. The quarry has multiple platforms sunk at various depths for training purposes as well as a many other artifacts to provide you an interesting and intriguing diving experience.

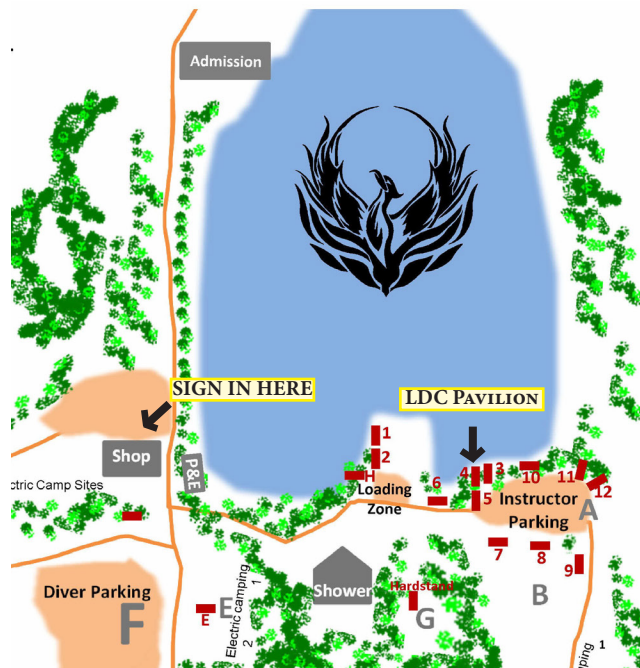

.....

We regularly dive from Memorial Day Weekend until Halloween each summer, and can do anything from Open Water certification dives to certain Specialty certification dives.
