Lake Phoenix

Our local certification spot is Lake Phoenix, formerly Lake Rawlings. This freshwater quarry is filled with intrigue as it sports a helicopter, a bus, several boats, cars, & platforms at depths appropriate for training. Through late summer, you can find nests made by Blue Gill & Large Mouth Bass that live in the lake.

Lake Phoenix is the perfect place to get certified, as you don't have to fight currents or waves, & there's a diving pavilion right off the dock.

Price per day: $60

additional to the price of class

2 days necessary to complete all (4) certification dives

A Note About Your SCUBA Gear...

Students are required to PURCHASE their own personal equipment package — ***mask & snorkel, fins & booties, weightbelt & weights*** — prior to their 1st day of class. If diving locally, we **HIGHLY** recommend adding a ***hood & gloves*** to your personal equipment package.

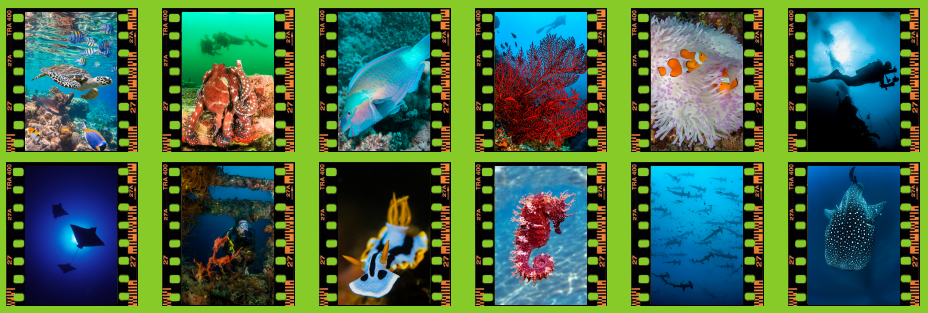

SCUBA DIVING IS AN EQUIPMENT-INTENSIVE SPORT. YOUR COMFORT & YOUR SAFETY WILL BE ENHANCED BY OWNING YOUR OWN GEAR.

Give us a call (757.481.7949) or visit us at the dive shop TODAY. We're always happy to answer any questions you may have & help you pick out the BEST equipment to suit your needs.
